

# BUILD STUDIOS

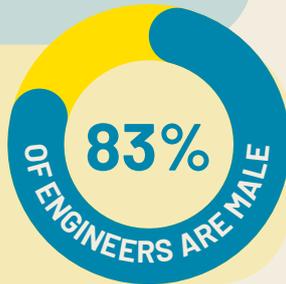

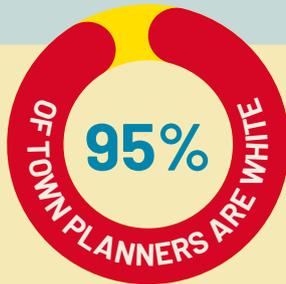

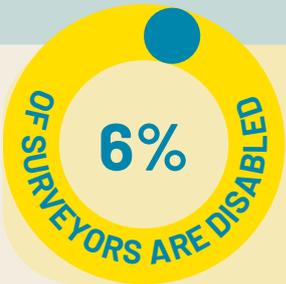

**Build Studios** is a registered charity. We are working to inspire young people and support diversity in the built environment industries. We are looking for partners to work with to progress this mission.

## HOW CAN YOU HELP US OPEN DOORS?

Your support, through partnership or sponsorship, will help young people realise their potential and play a part in the making of our towns and cities.

## THE STATS...

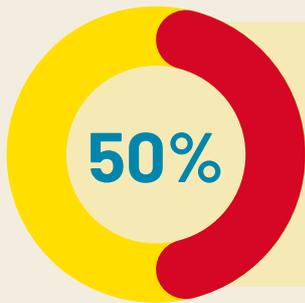

Across the architectural qualification

60% of Part I students are white

71% of Part II students are white

79% of Part III students are white

of senior executives in the real estate sector attended an independent school or selective state school.

## WHY SHOULD IT MATTER TO YOU?

There are many barriers that block access to paths and careers in the built environment. Our job is to repair this by reaching out to young people and supporting them on their journey into the sector.

A lack of diversity in a company means missing out on talent during a skills shortage. Increased diversity can support corporate representation during a time of greater scrutiny.

## PROGRAMMES TO SUPPORT

Educational workshops for Year 6 primary pupils and their parents on healthy homes, green jobs and designing for the climate crisis

We work with schools and students from lots of different backgrounds. Together, we can bring them into the sector.

Careers enrichment programme for Year 7 pupils, providing insight and practical skills for careers in construction, architecture and design.

## DIGITAL SKILLS

Digital design sessions for VI form students offering training in Archicad and support from industry professionals to follow a design project brief.

## ALTERNATIVE PRACTICE

Community of young professionals looking to push the boundaries of traditional practice and develop partnerships with others in the built environment sector. Platforming 'non established' young professionals.

## CV + PORTFOLIO REVIEWS

For students and young workers entering the world of work – CV and portfolio reviews in person from recruitment and industry specialists.

## COULD YOU SPONSOR A PROGRAMME?

Promote your commitment to an inclusive built environment by sponsoring one of our programmes.

## COULD YOU PARTNER WITH US?

Develop a programme with volunteering opportunities and bespoke content that relates to your sector.

£3,000

Sponsor one of our programmes at a one off event

£10,000

Sponsor one of our programmes for one academic year

£18,000

Sponsor one of our programmes for two academic years

## COULD YOU HELP US WITH SPACE?

We would like to develop a multi-use space where we could implement our programmes or provide affordable workspace for the industry.
