

SOCIAL IMPACT REPORT 20 25

Welcome to Build Studios' 2025 social impact report. We've had a busy year breaking down barriers in the built environment, working with young people, running our co-working space and hosting events.

The Context

INSPIRING YOUNG PEOPLE

MAKING CONNECTIONS

Our Achievements

WE'VE
SUPPORTED

315

YOUNG
PEOPLE

Through workshops and careers sessions, we raised access and aspiration in the built environment, inspiring young people to explore future pathways.

5
SCHOOLS

Funded by Lambeth Council with LSA, we ran Key Stage 2 workshops on materials, sustainability, and healthy home design.

Architecture

HEALTHY HOMES
WORKSHOPS

Lambeth

CAREERS
ENRICHMENT

We relaunched our Careers Enrichment Programme at Oasis Academy Southbank, featuring engineers, architects, and placemakers.

We welcomed South Bank University Sixth students to Build Studios for careers sessions with industry experts in engineering, energy, consulting, and BIM capabilities.

Our Achievements

EVENTS + DESKS

Through the events we hosted and the workspaces we provided, we fostered collaboration and measurable community impact.

57
GUESTS

We hosted our 5th Making Space For Women event on how we can design child-friendly cities.
